

The African Institute for Health and Development (AIHD) is a non-profit, non-governmental organization (NGO) established in June 2004 in Nairobi, Kenya by a group of accomplished African researchers and academicians. The Institute's main focus is implementing evidence-based programming, training and advocacy on health and development issues that are contextually relevant to Kenya and the African continent. In partnership with the National and County Governments in Kenya, and working in collaboration with local, national, regional and international partners, the AIHD is involved in policy formulation on key development issues such as poverty alleviation, gender mainstreaming, health promotion, non-communicable diseases (NCDs), neglected tropical diseases (NTDs), social protection, among others.

The AIHD is implementing the ARISE II (Accelerate Resilient, Innovative and Sustainable Elimination of Neglected Tropical Diseases) project which is focused on optimizing delivery, informing data-driven decision making, and supporting long-term elimination and/or control of Schistosomiasis (SCH), Soil Transmitted Helminths (STH), onchocerciasis and limited aspects of trachoma. STH/SCH activities will include national precision mapping. Therefore, the organization is seeking a provider who can supply the following laboratory equipment:

**Olympus Microscopes CX23 with wooden casing - 40 Pieces**

Kindly drop (physically) the following tender documents at our offices by Thursday, October 19<sup>th</sup>, 2023 at 11:00 am:

- Organization profile
- Certificate of registration/incorporation
- KRA pin certificate
- VAT Certificate
- The Quotation
- Audited financial statements for the last two years
- Filled prequalification documents (see attached link).
